

West Carleton Skating Club

Policy: **Off-Ice Training**

Revised: **October 24, 2018**

Parents and guardians are not permitted in the off-ice training space during WCSC off-ice classes.

Please promptly drop skaters off at class and then leave the off-ice training space.

A clear, open and quiet training space allows for more productive and effective off-ice training sessions.

At the end of class, parents/guardians can return to pick-up skaters.
